

Our specialist engineering division has over 20 years of combined experience providing temporary and permanent recruitment solutions dealing with a variety of roles from shop floor skilled trades to supervisory and management positions.

We understand what's important to your business through solid understanding of the vacant role as well as the wider engineering and technical industry.

We cover a variety of locations including Huddersfield, Barnsley, Wakefield and Halifax as well as the surrounding West Yorkshire region.

What we can do for you

24/7 phone service so you can contact us any time around the clock.

Strategic, emergency, ad hoc, short or long-term cover and temp-to-perm options available.

Save time on searching job boards as we have a large database of candidates who are looking for work and ready to go.

Site visits helps us understand both the requirements for the role and your business.

Unrivalled **expertise and knowledge** of the local engineering sector.

Fully qualified, vetted, checked and certified workforce including in-depth screening of all candidates.

Access to **operator helpdesk** ensuring all temporary workers have a point of contact – freeing up your time.

Full payroll service with weekly pay for our workers through BACS.

ENGINEERING

What our clients say about us

"We've always found Stafflex to be friendly, straight talking, and honest but most importantly they're good at what they do, consistently providing us with high calibre engineering staff who fit with our business."

We consider them experts in the engineering recruitment market and know that we can count on them for any staffing requirements or recruitment advice."

Ashley Jackson, Managing Director at Archway Engineering (UK)

"Stafflex put the right people in the right positions. The majority of the staff placed with us are now permanent members within the company which really reinforces Staffflex credentials as a first class recruiter."

We can count on them to fill a variety of engineering roles in a really short time frame such as fitters, store operatives and vehicle movers to name a few."

Gary Myers, General Manager at VFS North

ROLES: CNC OPERATORS, WELDERS, FABRICATORS, PRESS BRAKE OPERATORS, PLUS THE FULL RANGE OF SHOP FLOOR AND SUPERVISORY STAFF
