

Established in 2000, Stafflex are a leading recruitment agency providing quality staff to the Office, Education, Industrial and Engineering sectors.

We recruit all office roles in a variety of locations including Huddersfield, Halifax, Brighouse, Batley, Brighouse, Elland, Holmfirth, Denby Dale as well as other areas in the West Yorkshire area.

What we can do for you

24/7 phone service so you can contact us any time around the clock.

Site visits helps us understand both the requirements for the role and your business.

Unrivalled **expertise and knowledge** of the local area so we know which candidates are looking for work and the current state of the recruitment market.

Save time on searching job boards as we have a large database of candidates who are looking for work and ready to go.

Face to face meetings with both clients and candidates on a personal level ensuring we only send details of people who will fit the vacancy and your organisation.

Whether you're trying to fill a temporary or permanent role, we have a bank of **pre-interviewed candidates** ready to work.

Honesty is our number one value – if we can't help, we'll tell you as soon as we can.

Strategic, emergency, ad hoc, short or long-term cover and temp-to-perm options available.

What our clients say about us

"Stafflex are experts at filling our customer service roles with quality staff. We trust their industry and recruitment knowledge having worked with them for a numbers of years.

It's clear Staffflex as an agency have spent the time to understand our business and ethos as they always send a comprehensive list of candidates for us to pick from."

Josh McNeice, Regional Sales Manager at Kirklees Active Leisure

"We engaged with Staffflex just over 2 months ago to resource a PA role due to ongoing growth at Control F1. Robbie spent time coming to meet with us and demonstrated that he'd understood our business and culture.

We were very happy with the calibre of candidates provided for our consideration - it's clear that Staffflex are experts in their field. The team kept in touch post-placement to ensure we're happy – a nice touch!"

Nick Payne, Chief Operating Officer at Control F1
