

## Candidate Safeguarding Brief

Stafflex Education takes Safeguarding children seriously and complies with relevant national and local requirements. All members of the Stafflex team that work in regulated activity with children are required to complete the following tasks before they commence employment with Stafflex Education.

### We require you to read and understand the following documents

1. [Guidance for safer working practice for those working with children and young people in education settings, Oct 2015, Safer Recruitment Consortium.](#)
2. [Keeping children safe in education - Statutory guidance for schools and colleges, Sept 2016, Dept for Education, Part 1 and Annex A.](#)
3. [Stafflex Education: Procedures following a safeguarding allegation / concern.](#)

### We require you to complete the following e-learning course:

- *An Awareness of Child Abuse and Neglect,*  
<http://www.courses.kirkleessafeguardingchildren.co.uk/site/login>

### Optional e-learning courses:

- Free Positive Behaviour Support (PBS) online course provided by the Dept of Health. Please complete if you work in a support/challenging behaviour environment:  
<http://www.bild.org.uk/capbs/pbs-awareness-course/>
- Free Prevent online course provided by the Home Office:  
<https://www.elearning.prevent.homeoffice.gov.uk/auth/login>

### We require you to attend:

- *Safeguarding training* every 2 years either through Stafflex Education or another agency that offers Safeguarding training or through a School.

NB: You will be offered Safeguarding training from Stafflex Education on a regular basis throughout the year.

For further information on safeguarding children, there is a wealth of information at:

<http://www.kirkleessafeguardingchildren.co.uk/>

For any Safeguarding questions or concerns please contact a designated Safeguarding officer at Stafflex Education; Rosie Stahelin or Abigail Stahelin-Hall.
